

ADVANCED HANDS-ON IN PROTEOMICS

17th - 18th November

17th November | Tuesday

09:30 Reception at Bioscope Laboratory | Lab 014

10:00 Proteome extraction of liquid and solid biological samples | Lab 014

12:00 Lunch time

13:45 Protein Total Quantification | Lab 014

15:15 Coffee Break

15:45 Filter Aided Sample Preparation (FASP) protocol explanation | Lab 014

16:45 END

18th November | Wednesday

09:30 Filter Aided Sample Preparation (FASP) protocol explanation | Lab 014

10:30 Coffee Break

10:45 Filter Aided Sample Preparation (FASP) | Lab 014

12:00 Lunch Time

13:45 Filter Aided Sample Preparation (FASP) | Lab 014

15:15 Coffee Break

15:45 Proteome analysis using HPLC-MS/MS & Guided Tour of Mass Spectrometry Facilities | Lab 014

16:45 END
